EDUCATION

Penn State University

Expected Graduation - 2027

Bachelors of Science, Software Engineering

World Campus

- Placed in the above average level of college math courses based on placement test results for my major.
- Completed early general education courses through Penn State's Upward Bound program, demonstrating academic preparedness and a strong work ethic.
- Actively involved in the community by volunteering at a local soup kitchen and mentoring through Big Brother, Big Sister.
-

WORK EXPERIENCE

State Farm

June 2022 – Jan. 2023

Sales and office tech assistant

State College, PA

- Problem-Solving: Proven ability to identify and solve problems that potential clients may have.
- Technical Expertise: Proven ability to oversee hardware and software setups, as well as Cisco phone systems. In my previous role as the designated tech assistant for the office, I was responsible for setting up and maintaining all the office's hardware and software, including Cisco phone systems. I have a proven track record of success in this area, and I am confident that I can use my skills to make a significant contribution to your team.
- Education and Training: Always seeking out new opportunities to learn and grow, both through formal education and self-directed learning. I am confident that my passion for learning and my commitment to continuous improvement will make me a valuable asset to your team.
- Attention to detail: Proven ability to pay attention to detail and meet deadlines.

First Commonwealth Bank

Sept. 2021 – June 2022

Financial Solutions Specialist

Dubois, PA

- Problem-Solving: Proficient problem solver with a proven track record in the banking industry, seeking to leverage my analytical and critical thinking abilities to excel in a tech role.
- Teamwork: Demonstrated strong teamwork skills by collaborating with colleagues to achieve common goals.
- Education: Self-directed learner with a proven track record of professional development and upskilling through industry certifications and educational credits to advance my career.

CNB Bank

Dec. 2017 – Sept. 2021

Customer Service Agent

Clearfield, PA

- Communication: Excellent written and verbal communication skills, with the ability to clearly and concisely communicate complex technical information to a variety of audiences.
- Organization: Strong organizational skills with a proven ability to manage multiple projects simultaneously and meet deadlines.
